## **Reshape Your Business**

# About Us

- Namaa InfoLogistics is a prominent company specializing in information and records management, offering high-quality solutions for businesses and organizations. With a strong dedication to excellence, we focus on securely and efficiently managing and organizing information, records, and data.
- Our team possesses over 30 years of hands-on experience in digitizing organizations' records and information.
- As partners to leading technology market players such as Kodak Alaris, NVSSoft, and Transtek, we are committed to delivering IT solutions and services that adhere to industry best practices and standards, positioning us as a top-tier information technology corporation.

## Our Offerings

### ECM

Enhance the management of an organization's content and information assets throughout their entire lifecycle.

### DIGITIZATION

Enhance the efficiency, accessibility, and compliance of documents by converting physical documents and records, which are generated daily and accumulated over time, into digital format.

### PRM

Meet compliance requirements, enhance data and document security, and mitigate the risk of data loss.

### FAM

Effective management of fixed assets can assist organizations in saving money, reducing waste, and enhancing efficiency by ensuring proper utilization and maintenance of their assets.

## Why Choose Namaa InfoLogistics?

### 1-Expertise in Digital Transformation:

Our team has over 30 years of experience in the field of records and information technology, ensuring a smooth and successful transition to digital transformation.

### 2-Comprehensive Record Management:

We offer tailored solutions for managing and organizing information, records, and data in a secure and efficient manner

### 3-Tailored Solutions:

Our services are customized to meet the unique needs of each client, ensuring optimal results and maximum efficiency

### 4-Industry Experience:

We have a proven track record of working with leading technology market players such as Kodak Alaris, NVSSoft, and Transtek, demonstrating our expertise in the industry

### 5-Commitment to Security and Compliance:

We ensure that our clients' data and documents are secure and compliant with data privacy regulations and retention policies

### 6-Client-Centric Approach:

We consider ourselves as partners in our clients' successful adoption of new business models and smooth transition to transformation, providing them with the tools and technologies they need to reshape their businesses

**“Gain a competitive edge with Namaa InfoLogistics' innovative records and information management.”**
